ABOUT DIGITITAN

Digititan (PTY) LTD is a proudly African company founded on a mission of working tirelessly towards making Africa a First-World continent that is grounded on harnessing technology and innovation to attain economic independence that serves all its people.

We aim to build one of the strongest companies in the world that will utilise all its resources for the benefit of the people of Africa. We are focussing on training and skilling young Africans in the field of technology, focussing on Information and Communication Technology as our launchpad for our greatness in innovation. We are helping young people to establish technology-based businesses that will transform and improve the quality of life in the continent. We strongly believe that capitalism can only be meaningful and relevant in our continent if it is used for the benefit of humanity. Excessive accumulation of wealth in the sea of poverty cannot be justified. We will be dedicating ourselves and all our resources in assisting every African family to have access to technology.

Our promise to the people of Africa is that this company, Digititan, will build a strong movement that will "Restore our African Dignity" and provide a path for "Delivering Greatness".

Digititan is the reseller of the Information and Communication Technology product such as laptops.

The buyer wishes to purchase a Laptop using the Vfunda Digital Scheme.

UFUNDA DIGITAL SCHEME:

The Vfunda Digital Scheme is designed to assist parents to purchase Laptops for their children using an affordable payment vehicle. All children in our country deserve to be treated equally by having access to digital devices that are important for their education.

Value Proposition:

Parents can sign up for the scheme at grade R or grade 1.

The benefits for the Vfunda Digital scheme are:

- · One entry level laptop for the child when they start grade five;
- Grade five education content will be loaded in the machine and new grade content loaded every year until grade twelve;
- · Learners receive free Digital Skills training;
- · Monthly data package will be offered and
- Insurance for the device.
